

VICTORIA GERMICID

This radiator emits short wavelength UV-C radiation with peak wavelength of 254nm. This radiation provides sterilizing effect without ozone production. UVC kills virus, fungus, bacteria etc. and it is causing cancer, thus protection of skin and eyes is necessary. Caution: operation only without presence of humans. Remove cover while operating UVC lamps. The radiator can be equipped with the EU plug (type F - italian) with surcharge. Other types of plugs available on request.

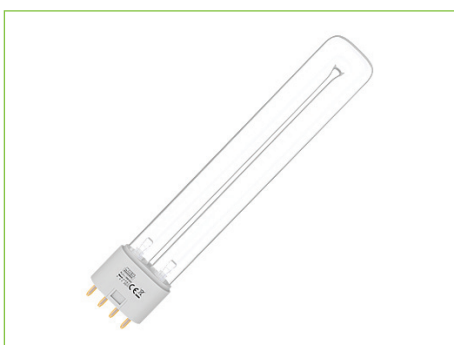

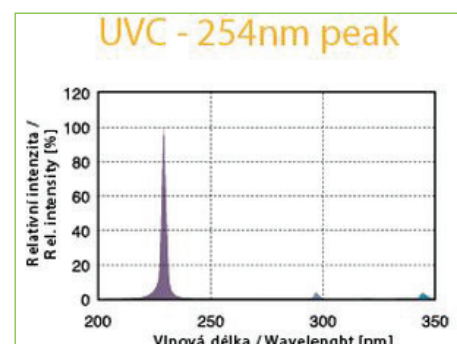

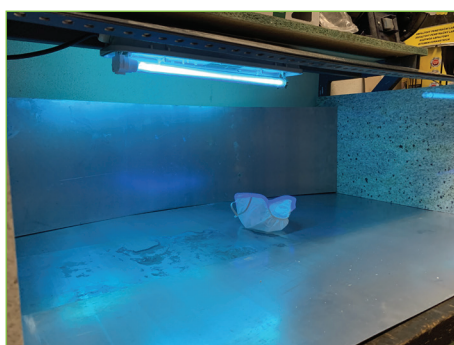

VICTORIA GERMICID (2G11) - UVC radiator with peak wavelength 254 nm (for industrial usage), NO OZONE

| Order code | Name | Power [W] | Type of radiation (peak 254 nm) | Lifetime | Material | Dimmension [mm] | Supply cable length | Effective area for 99,99% sterilization/6h** |
|------------|-------------------|-----------|---------------------------------|----------|----------|-----------------|---------------------|--|
| 910320300 | VICTORIA GERMICID | 1x18W | UVC | 8000 h | PC/PC* | 472x96x98 | 2m or 3m | 12 m2 |
| 910320305 | VICTORIA GERMICID | 2x18W | UVC | 8000 h | PC/PC* | 472x150x98 | 2m or 3m | 20 m2 |
| 910320310 | VICTORIA GERMICID | 1x24W | UVC | 8000 h | PC/PC* | 472x96x98 | 2m or 3m | 18 m2 |
| 910320315 | VICTORIA GERMICID | 2x24W | UVC | 8000 h | PC/PC* | 472x150x98 | 2m or 3m | 26 m2 |
| 910320320 | VICTORIA GERMICID | 1x36W | UVC | 8000 h | PC/PC* | 472x96x98 | 2m or 3m | 20 m2 |
| 910320325 | VICTORIA GERMICID | 2x36W | UVC | 8000 h | PC/PC* | 472x150x98 | 2m or 3m | 28 m2 |

* Operation without cover with UVC lamp

**Installation height of luminaire approx. in 2,5m

Spare parts: order codes for new lamps (compact fluorescent lamps TC-L 2G11) :

| Order code | Name | Power [W] | Type of radiation | Source lifetime |
|------------|--------------------------------------|-----------|-------------------|-----------------|
| 224100000 | KLD-L (TC-L) 18W UVC 2G11 GERMICIDAL | 18 | UVC | 8000 h |
| 224101000 | KLD-L (TC-L) 24W UVC 2G11 GERMICIDAL | 24 | UVC | 8000 h |
| 224102000 | KLD-L (TC-L) 36W UVC 2G11 GERMICIDAL | 36 | UVC | 8000 h |
